Next Meeting: April 14 @ Corporate Select (City and Sea) at 6:30 p.m.

Hi Skiers, well the sun was finally out for a few days...yippee! We have our next meeting on April 14th at CSE at 6:30pm. There will be lots going on that evening (see boxes below), we have lake rental sign up, Radar Lake sign up, Ski Swap, food treats, meet new ski club members, buy cool ski clothes from Bob at CSE etc..

As some of you know we will not be able to ski at Sun Basin this year, the lake is under construction. So we have been working behind the scenes in finding other places to ski. We are very thankful for what we have so far.

We are still trying to ski on Greenlake, it may be hopeless, but a few of us Rod Thornley, myself, Garry and Darlene Sondergaard took the time and met with the mayors office. Trying to reverse the Seattle Parks Dept decision. They were very kind to us and listened to what we had to say but...for now they will not reverse the parks dept decision. Fight goes on..?

Anyway, like I say - we are continuing to work on ways, to keep you all on the water!!

Our first meeting last month was a great success, it was great to see everyone after the long hard winter (ok that left like two days ago).

Also big welcome to our new ski club members. Look forward to seeing you all at our next meeting. Thanks for your support - Kia Roberts-Thane
